

Student Travel Award Guidelines and Submission Information

Each year, MSS offers travel grants of \$150 each to 100 student members who participate in the annual meeting. The grants are intended to help student members with the expenses of traveling to the MSS annual meeting. To allow MSS to serve as many students with real need as possible, please do not apply for these funds if your school is paying all or most of your expenses to attend the annual meeting.

Award Application Requirements:

To be eligible for a student travel grant, you must:

1. Be a current MSS member in good standing, which includes paid fees.
2. Register for the annual meeting by February 1.
3. Be listed on the annual meeting program as a presenter, panelist, discussant or organizer.
4. Submit your request per the directions below.

Withdrawal

- If awardee decides not to attend the meeting, he/she should inform MSS at once, so that the award can be offered to another applicant.
- If an awardee withdraws from his/her annual meeting participation of his/her own accord, the award will be withdrawn by MSS.
